Current Positions & Background

Partner

- Partner: Carpe Diem International GmbH, Germany
- Founder: Louter Business B.V.; Netherlands

Positions:

- KPMG/ Atos Consulting Partner
- PricewaterhouseCoopers Director Advisory Services
- Cap Gemini Ernst & Young Unit Manager and Director
- Digital Equipment Corporation Account and Sales Manager

Before joining Thomas Group and Carpe Diem International he was Partner at Atos Consulting (former KPMG) in the Atos Origin Netherlands Management Team where he facilitated new and/or additional Managed Operations deals for the company.

As Director of PricewaterhouseCoopers he moved into the area Business/ ICT alignment and Operational Excellence. The projects were about finance, operations, supply-chain, administrative and control issues.

Being Unit Manager and Director of Cap Gemini, Mr. Brinkbäumer was involved in large outsourcing and managed operation deals.

Mr. Brinkbäumer looks back upon executive experience in the IT and Telecommunication segment. He was e.g. in 1995 responsible for operational and commercial rollout of the Libertel GSM network (Vodafone).
